Welcome to
Southampton Chinese Christian Church

Members of the Southampton Chinese Christian Church are mainly, but not exclusively, ethnic Chinese; some were born locally but most are from the Far East. We have professionals, students and researchers from the local universities and colleges, business people in the catering trade and retired folks.

Our mission is to preach the good news of Jesus Christ, build up believers and minister to the needs of the local community. Apart from the Sunday worships and mid-week meetings, we do run other special activities. More details can be found on our church website at www.sccc.org.uk.
